Social Welfare Work :

The very foundation of DAV is based on selfless service for the downtrodden. We, DAVians carry forward the same social work by providing free education & study materials to the students hailing from economically backward community under RTE Act 2009. Every year, come winter DAV school distributes winter clothes to the deprived and have nots especially those who are living on the edge.

Moral Upliftment :

Every child is like a seed that needs the care and nourishment of not only the parents but also the teachers whom they meet in their second home. For moral and spiritual upliftment every Saturday with the holy chanting of vedic hymns, our children relive & revive the ageless vedic tradition through hawan, bhajan & sermons. The clarion call given by the founder of Arya Samaj Swami Dayanand Saraswati 'Back to Vedas' & 'Nature' is found in the aura of this school.
